

In 2019 Winter Wilson toured the UK, Australia, Spain, Belgium and Canada. They also released *Live & Unconventional*, the long-awaited live album, recorded on tour with folk-rock icons Fairport Convention. The reviews have been exceptional:-

*"If you need evidence of just how special the duo Winter Wilson is, then Live & Unconventional delivers in abundance" Steve Caseman, RnR magazine*

But it is in live performance that these two really excel, bringing a sense of intimacy to every venue, blending superb original songs, stunning harmonies and musicianship with hilarious off-the-cuff humour. Kip Winter (vocals, accordion, guitar, flute) "simply has a voice to die for" (John Roffey, *Maverick Magazine*), whilst Dave Wilson (vocals, guitar and banjo) is now recognized as being amongst the best of British songwriters.

You will laugh; you may cry. You will certainly want to see them again!
